IMPORTANT BETTER TIMES DATA

(1) Under your "License to grow Better Times," you are not permitted to "sell nor otherwise dispose of *any* plants of the Rose Better Times." This includes "*bench*" plants, and such plants *must be completely destroyed when discarded*.

(2) Under your "License to grow Better Times" you must pay royalty on "all plants of the Rose Better Times produced by the Licensee under this license."

BUT

(3) Joseph H. Hill Company will cancel your royalty due on replacements, if you fulfill the terms stated in this booklet.

(4) To obtain this royalty cancellation you must fill in and sign the agreement forms furnished by Joseph H. Hill Company for that purpose and send same to Joseph H. Hill Company for its acknowledgment.

(5) Our distributors have no authority to cancel the royalty on any replacement.

(6) There is no "blanket" cancellation of royalty on replacements.

(7) The royalty cancellation agreement does not in any way cancel or amend the "License to Grow Better Times." Each customer must sign a "License to Grow Better Times" with each and every purchase.

(8) Royalty will be due on all new plantings and on all additional plantings of Better Times.

(9) We wish to impress on you the importance of filling in, signing and returning to Joseph H. Hill Company your yearly Better Times report due on June 30th.

(10) The most important figure to be filled in on your report is your ACTUAL INVENTORY of Better Times.
